**The Hub, Sleaford**

***40 hours per week - Permanent  
PG5A £22,230 per annum***

### **Background Information:**

The Hub delivers an inspiring programme of contemporary craft, design, dance and creative arts experiences, in Sleaford, across North Kesteven and beyond.

Home to the national centre for craft and design, our celebrated exhibitions showcase contemporary artists and makers from around the world. Our shop stocks an ever-changing collection of handmade craft objects and design gifts, and our CaféBar is a great place to meet & socialise and enjoy locally sourced specialty food & drink.

The Hub offers a dynamic learning programme of workshops, talks, classes, competitions, special events and performances for all people, ages and abilities. We deliver creative activities in schools, community & care settings and online; and we work with our communities & partners to coordinate participatory arts projects, events, festivals, celebrations, and public commissions.

The Hub is an Arts Council England National Portfolio Organisation, owned and supported by North Kesteven District Council and operated by Lincs Inspire Limited, a Lincolnshire based charity.

### **The Right Team:**

It has never been a more exciting time to join the Hub team. Following a major capital refurbishment, our beautifully expanded CaféBar is now at the heart of our nationally renowned centre.

With a new atrium and outdoor seating area, which includes a stunning new Jetty on the River Slea, the CaféBar is a spacious contemporary space for brunch, lunch, meetings and social get together's.

We cater for up to 100 people serving a locally produced menu that suits all dietary requirements including, vegetarian, vegan gluten free and dairy free options. We also offer take-away, banqueting and event services.

Following our re-opening in May 2021, we are now looking for a CaféBar Supervisor to drive forward the growth and delivery of the Hub CaféBar team and service.

As CaféBar Supervisor, you will supervise and motivate a small team, champion high-quality service and deliver a delicious high-quality food and beverage offer. Proven experience is essential, together with a flexible hands-on approach and a genuine passion for catering and hospitality.

The Hub is open 7 days per week, and you will work on a two-week rota across weekdays and weekends.

This is a fantastic opportunity to work in a unique creative environment and put your mark on a newly opened CaféBar.

We are looking for people that reflect our diverse communities, to help us work in new ways and become more relevant to the people and communities we serve. We recognise that this is not present in our current workforce, so we particularly welcome and encourage applications from people with diverse backgrounds and life experiences.
