Calling all designer-makers from the East Midlands Region!

We cordially invite you to propose work for sale in our Christmas selling show, the first to be taking place in our brand-new Ground Floor Gallery in our beautifully refurbished building.

The show will be running at the Hub from **4 Dec 2021 to 9 Jan 2022**; a peak time of year for sales. The exhibition will be situated along side our shop and will be seen by our already established customer base. Our shop is renowned for its collection of beautiful handmade contemporary craft, made by some of Britain's very best designer/makers.

The brief for 'Crafted: East Midlands' is works that fit into one of these 6 craft-discipline categories and suitable for the giftware market, with a maximum retail price of **£300**. For previous selling shows most of the works sold were priced under £150.
