Our Vision: Great Art for Everyone

The Hub delivers an inspiring programme of contemporary craft, design, dance and creative arts experiences, in Sleaford, across North Kesteven and beyond.

Home to the national centre for craft and design, our celebrated exhibitions showcase contemporary artists and makers from around the world. Our shop stocks an ever-changing collection of handmade craft objects and design gifts, and our CaféBar is a great place to enjoy locally sourced specialty food and drink.

The Hub offers a dynamic learning programme of workshops, talks, classes, competitions, special events and performances for all people, ages and abilities. We deliver creative activities in schools, community & care settings and online; and we work with our communities & partners to coordinate participatory arts projects, events, festivals, celebrations, and public commissions.

We're also home to Design-Nation, the UK's leading portfolio network for designers & makers of craft, design, and product.

The Hub is an Arts Council England National Portfolio Organisation, owned and supported by North Kesteven District Council and operated by Lincs Inspire Limited, a Lincolnshire based charity.

With a new outdoor riverside seating area and Atrium, the Hub Cafebar now caters for up to 100 people. We serve a locally produced menu to suit all dietary requirements including, plant-based, vegetarian and vegan options. We also offer take-away, banqueting and event services.

We are recruiting two roles that will provide a high-quality customer service and help to prepare and deliver our delicious menu.

As Café Assistant, you will have knowledge and understanding in serving customers, facilitating orders and experience of working in a customer focussed hospitality environment.

The Hub is open 7 days per week and each position will work on a two-week rota across weekdays and weekends.

We are also looking to recruit Café Assistant's Visitor Experience Assistant's on a casual basis to support our daily operations.

If you want to enrich the service of a leading cultural venue, we want to hear from you.

We are looking for people that reflect our diverse communities, to help us work in new ways and become more relevant to the people and communities we serve. We recognise that this is not present in our current workforce, so we particularly welcome and encourage applications from people with diverse backgrounds and life experiences.
